

8<sup>th</sup> January 2026

Dear Parents / Carers,

The weather has been bitterly cold this week and I appreciate you all sending the children in to school in appropriate clothing.

We are currently keeping a close eye on the forecast for tomorrow. We are concerned that there is a chance of snow, however, different forecasts are showing different scenarios. If there were to be snow overnight, we need to consider everyone's ability to be able to travel safely both to and from school as well as site safety. We may be faced with the scenario of not being able to open the school.

Any updates will be put on Facebook but please spread the word through any messenger groups that you have set up to ensure that everyone receives the message. In the event of closure, we will also send a text message to all parents and carers.

Any decision to close the school will be made by 7.45am, so if you haven't heard anything by then, please assume that we are open as normal.

I sincerely hope that these plans won't be necessary, however, forewarned is forearmed.

Thank you for your support,

**Mrs Scrivens**

**Head Teacher**
