

Dear Parents/Carers,

On Tuesday 10th February, we will be visiting Calne Library as part of our Life Skills and English learning.

The children will walk to the library in the morning, where they will explore the space, learn how a library works, and choose books to borrow. This supports independence, confidence, and a positive attitude towards reading.

For this visit, I will use my own library card and hope to make library trips a regular part of our learning. However, you can sign your child up for their own library card using the link below. If your child has their own card, it can be kept safely at school for regular use.

Please let me know through Showbie or at Monday pick-up if you have signed your child up for a card.

Thank you for your continued support. If you have any questions, please don't hesitate to get in touch.

Kind regards,
Teni Shima
