

**Dear Parent/carers,**

I am pleased to inform you that your child is eligible to attend our new holiday programme, FUEL. FUEL is a free holiday activity and food project that offers children the opportunity to take part in a range of fun activities during school holiday periods in 2021. Children will also be provided with a nutritious meal each day.

FUEL will launch during the second week of the Easter holidays (12-15 April), but due to the current Coronavirus restrictions, Easter delivery will focus on providing a high quality packed lunch for each child signed up to the scheme and a fun activity pack that children can enjoy at home. It is hoped that FUEL holiday camps will run during the summer and Christmas holidays subject to restrictions being lifted.

The FUEL programme is only available to eligible children attending primary, secondary or special schools and is not open to pre-school children.

We are asking parents and carers to register their interest in the scheme by completing the short form using the link below. If you have multiple children you only need to complete one form, entering the details of each child. If you require any support with completing this form please speak to your school. Please find attached a leaflet providing more details about the FUEL programme that you can share with your child. If you have any further queries please email [fuelprogramme@wiltshire.gov.uk](mailto:fuelprogramme@wiltshire.gov.uk)

**Register here** no later than Noon, Monday 29 March 2021 to be eligible for Easter delivery.

Kind regards,

**Helean Hughes**  
Director - Education and Skills

**Jess Gibbons**  
Director - Communities and Neighbourhoods

**FUEL** offers you the opportunity to take part in a range of fun activities during the school holidays and receive a nutritious meal each day.
